MILEAGE REIMBURSEMENT RATE FOR *NETWORK* CONTRACTORS

Effective January 1, 2011, the Department of Personnel Administration adopted the current Internal Revenue Service's mileage reimbursement rate of 51 cents per mile. This is for mileage reimbursements for travel on/after January 1, 2011. The former mileage reimbursement rate for the California Department of Public Health contracts was 50 cents per mile. Please continue to use the old rate of 50 cents per mile incurred during calendar year 2010.

Effect on Existing Executed Network Agreements:

Contractors may begin applying the revised mileage reimbursement rate effective January 1, 2011, and no formal amendments will be required on existing *Network* agreements.
