

**STATE LEVEL PROJECT SUMMARY  
FFY 2015**

1. **Project Title:** State Implementing Agency Technical Assistance and Service Support

Budget: \$151, 473

**a. Related State objectives:**

The SIA Technical Assistance and Service Support Project supports 1, 2, 3 and 4 of the State Level Objectives.

**b. Audience:**

California State Implementing Agencies working with SNAP-Ed target populations. The SIAs include CDSS, NEOPB, Catholic Charities, California Department of Aging, California Department of Food and Agriculture and UC Davis Calfresh Program.

**SNAP-Ed populations**

**Gender:** Female and Male

**Ethnicity:** All races and ethnicities with specific targeting for African American, Latino and Asian communities.

**Ages:** Adults 18+, primarily women with children, and children ages 5 – 17 years with concentrated efforts aimed at young adolescent's ages 9-11 years.

**SNAP-Ed Target:** Interventions target individuals and families at or below 185% FPL.

**c. Food and Activity Environments:**

SIA implement SNAP-Ed in the following settings: Local Health Departments Offices of Education, Preschools, Schools, Afterschool Programs, Retail, Farmer's Markets, Parks, Community-based Organizations, Health Clinics, Work sites and Media. Interventions include direct education message and in many cases promote a policy, systems and/or environmental change message.

**d. Project Description and Educational Strategies:**

- i. **Administrative and Programmatic Best Practices** – Meet with SIA to identify up to two best practices both administrative and programmatic and other time-tested processes that could be used or

## **STATE LEVEL PROJECT SUMMARY FFY 2015**

modified by CDSS to implement with other SIA to have a more uniform state process. Aside from an integrated work plan that is now in place, this could include a SIA Desk Manuals, semi-annual certification and Bi-weekly time tracking processes, Semi-annual progress report, and civil rights training for state staff and local agencies.

### **ii. Training and Technical Assistance –**

SIA will participate in all training needs assessment surveys that will inform the FFY 2015 Training schedule.

All NEOPB web-based trainings will be offered to SIAs for participation. SIA participation will be tracked as part of each NEOPB trainings evaluation.

NEOPB in-person trainings will be offered to SIAs or made available online as recording wherever possible. In-person trainings are limited to those trainings that contain interactive components that require in-person in order to accomplish the training goals and objectives. NEOPB will make every effort to accommodate SIAs, but will need to recoup additional cost/participant to cover additional logistics, materials, etc...

See Local Agency Support Project Summary, Training Section for information of the trainings for FFY 2015.

### **iii. The Warehouse, Web-based Ordering, Fulfillment, Development, Evaluating and Print Materials Services.**

During Federal Fiscal Year 2015 (FFY15) CDPH will provide comprehensive warehouse, fulfillment and web-based online ordering services for materials and resources for up to 120 clients (LHDs, SIAs and subcontractors) conducting SNAP-Ed interventions. Allocations of materials and resources are based on population of SNAP eligible served and usage history.

SIAs will have access to all intermediary and consumer materials on the NEOPB materials through the web storefront online ordering system administered by the Office of State Publishing.

## STATE LEVEL PROJECT SUMMARY FFY 2015

See Information and Communications – 2) Warehouse, Web-based Ordering, Fulfillment, Development, Evaluating and Print Materials Services Project Summary for more details.

### **iv. Evaluation Administrative Reporting System**

During FFY 2015, all SIA and their funded projects (n=120) will be provided web access to CDPH NEOPB Education and Administration Reporting System (EARS) online reporting system to track activities for progress reporting. CDPH will train SIA on collecting and entering information into online Activity tracking Form (ATF) /Education and Administration Reporting System (EARS) data system. CDPH Research and Evaluation available to provided technical assistance on EARS.

In addition, CDPH will provide technical assistance and monitoring SIAs in collecting and effectively using information for the *Communities of Excellence for Nutrition, Physical Activity and Obesity Prevention* (CX3) used to assess healthy retail access and other community settings.

CDPH will train and provide technical assistance and monitor SIAs in collecting and effectively using information for the IOE of nutrition education classes.

Provide training and technical assistance to SIAs on policy, systems and environmental change interventions and evaluation methods and reporting using a) the RE-AIM evaluation framework for measuring indicators of reach, effectiveness, adoption, implementation and maintenance.

CDPH will provide SIAs access to research and evaluation resources and assistance to LHDs and SIAs on web-based tools like 2014 Compendium of Surveys and other reliable, validated, evaluation tools used to participant's healthy living behavioral change.

See Research and Evaluation Summary, for more detailed information for FFY 2015.

### **e. Developing New Materials**

- I. Desk Manual for SIA on SNAP-Ed
- II. Guidelines Manual (Programmatic and Fiscal) for SIA
- III. Civil Rights Training

**STATE LEVEL PROJECT SUMMARY  
FFY 2015**

IV. SIA Time Tracking Process

**f. Evidence Base:**

All materials used will be evidence-based and tested with the target audience.

**g. Environmental Supports:**

- I. PSE Guidelines Manual –training and technical assistance for all SIAs on PSE interventions and evaluation strategies.

**h. Use of Existing Educational Materials:**

All projects use materials from the approved NEOPB Materials List or SIA approved materials.

**i. Key Performance Measures/Indicators**

The number of the SIAs that participated in the four elements listed under Project Description and Educational Strategies.

Develop and conduct SIA Customer Survey – Overall satisfaction rating of minimum of 90%.

**2. Evaluation Plans**

- a. Name – SIA Training and Technical Assistance tracking and SIA customer service survey
- b. Type – Log & Survey monkey
- c. Questions – Developed by REU using standardized questions from Training Unit
- d. Evaluation – Coordinated with REU using standardized questions from Training Unit

**3. Coordination Efforts:**

- a) Work with CDSS and all SIAs to identify administrative and programmatic best practices for SNAP-Ed that can be adopted uniformly by all implementing agencies.
- b) Work with all SIAs to offer, store, and distribute approved materials produced by NEOPB and/or non-funded programs including United States Department of Agriculture (USDA), Produce for Better Health Foundation, and other USDA approved materials.

**STATE LEVEL PROJECT SUMMARY  
FFY 2015**

- c) Work with all SIAs to coordinate trainings for implementing agencies and partners delivering SNAP-Ed in California.
- d) Work in collaboration with all SIAs and their partners on evaluation reporting by providing web access to CDPH NEOPB EARS online reporting system.
