Plumas	Seneca District Hospital	No central line-days reported	0
Riverside	Desert Regional Medical Center	Mixed acuity unit	0
Riverside	Eisenhower Medical Center	Mixed acuity unit	1
Sacramento	University of California Davis Medical Center	Mixed acuity unit	0
San Bernardino	Bear Valley Community Hospital	No central line-days reported	0
San Bernardino	Mountains Community Hospital	Mixed acuity units only	0
San Bernardino	St. Mary Medical Center, Apple Valley	Mixed acuity unit	0
San Francisco	Chinese Hospital	Mixed acuity unit	0
San Joaquin	Lodi Memorial Hospital	Mixed acuity unit	0
Shasta	Patients' Hospital of Redding	No central line-days reported	0
Solano	Northbay Medical Center	Mixed acuity unit	2
Tulare	Tulare Regional Medical Center	Mixed acuity unit	0

*Reasons for exclusion: Mixed acuity patient care locations cannot be stratified into specific patient care location types nor risk adjusted, therefore, data from these units are excluded from Tables 1-46; Hospitals that reported zero central lines do not have patients at risk for CLABSI; Incomplete reporters have reported less than 12 months of data and are excluded from Tables 1-46.
