Agenda Item/ Discussion
Call to Order Chair, Carole Moss, called the meeting to order at 10:06
Welcome, Introductions and Roll Call <ul style="list-style-type: none">• Chair welcomed all subcommittee members and members of the public• Introduced Debby Rogers, Vice President Clinical Performance Transformation, California Hospital Association
Approval of the June 20 meeting summary deferred until July 25th
Discussion and Review Chair welcomed new member, Debby Rogers and all on the call. Described the status and goal of this subcommittee. Debby was hopeful that our recommendation would include hospital emergency department devices and equipment. Members of the subcommittee recommended a need to include mobile equipment (i.e., carts) into the checklist of best practices.
Preparing Subcommittee Update for the August 11th HAI Advisory Committee Meeting
Discussion and Review

Continue to review best practices for cleaning and monitoring patient rooms.

Evaluate checklist to develop best practice recommendations for all acute care hospitals.

Review links to all CDC infection prevention best practices for environmental cleaning.

Subcommittee members (research consultants, infection preventionists, and environmental cleaning leaders) are all contributing to develop best practice recommendations.

Collaborative discussion topics:

Phase 1

Level 1

Daily Room Cleaning

Terminal Room Cleaning

Best Practices and Minimum Standards for California Acute Care Healthcare Facilities Recommendation for Environmental Cleaning, Monitoring, and Disinfecting Facilities, Devices, Equipment, and Linens

Phase 2

Level 2

CDC Best Practices for Environment Cleaning and Monitoring

Level 2 recommendations to be added: Water Treatment, Air Filtration , and Environmental Cleaning in the Emergency Department including equipment and medical devices

Recommendation to present a first draft of the Phase 1 checklist(s) to HAI Advisory Committee at the August 11th meeting.
