TO: Yellow Fever Vaccine Program Applicants

RE: No New Applications

Thank you for your interest in becoming a yellow fever vaccine provider. Due to the internal changes with the program, we are not processing applications at this time. Hopefully we will be to unveil the new application process no later than **September 2008**. In the interim, please refer your patients to the following website to find yellow fever vaccine providers in their area: <http://www2.ncid.cdc.gov/travel/yellowfever/>.

Also please take this time to review the information regarding the Advisory Committee on Immunization Practices (ACIP) Recommendations and proper storage and handling of yellow fever vaccine. If you have any questions regarding your application please contact me at akon.walker@cdph.ca.gov or (510) 620-3739.

Again, we thank you for your patience.

Sincerely,

A handwritten signature in black ink that reads "Akon M Walker".
