Public Health Microbiologist Certification Examination 2015

Wednesday December 16, 2015

9:00 A.M. – 12:00 P.M.

Laboratory Field Services
320 West 4th Street, Suite 890
Los Angeles, CA 90013
(213) 620-6160

The following documents must be received by the Richmond office of Laboratory Field Services before the candidate will be confirmed for admission to the examination:

1. the candidate's Application for Certification as a Public Health Microbiologist,
2. verification letters from the laboratories where the qualifying training was successfully completed or the qualifying experience obtained, and
3. the candidate's written request for a specific date and location of examination

Candidates who meet the requirements for admission to the examination may be issued temporary certificates by the Department when this is deemed necessary for the provision of public health laboratory services (17CCR 1079(b)). **Such certificates will be valid only until the results of the next scheduled examination are known.** Temporary certificates must be requested in writing by both the laboratory director and the candidate.

Thank you,
