

WIC Fruit and Vegetable Check (FVC) Training for New and Re-authorizing Farmers

FVC webinar trainings are provided for Certified Producers to become authorized to accept and redeem the WIC Cash Value Voucher (CVV or FVC) at Certified Farmers' Markets. These \$4, \$8, or \$11 monthly benefits for nearly all WIC clients are being used at an increasing number of WIC - Authorized Farmers' Markets throughout California.

Farmers who wish to COMPLETELY transact the CVV/FVC — from acceptance at the market from WIC shoppers, to using the online Vendor WIC Information Exchange System (VWIX) to the final bank deposit—are required to complete this training when applying for FVC authorization and re-authorization.

This interactive training includes review of the Farmers' Market Nutrition Program (FMNP) and

- * How to become WIC - Authorized
 - * Accepting FVC Checks—what to look for
 - * Processing FVC checks— how to use VWIX
 - * Avoiding bank fees and how to get help when a problem occurs
- And much more...
