

WIC MIS CHANGE RELEASE NOTICE For Local Agencies

Purpose The Change Release Notice provides updated information to CDPH WIC and all WIC Local Agency staff about new features, enhancements to existing features, and defects fixed that are now available in production.

The table below indicates the WIC MIS system schedule for a Change Release that was deployed to production, including the effective date.

Schedule

	DESCRIPTION	DAY	DATE	CHANGE RELEASE ID
1	Change Release	Saturday	September 24, 2016	10370
	Effective Date	Monday	September 26, 2016	

WIC MIS CHANGE RELEASE NOTICE

Scheduled Date:	SEPTEMBER 24, 2016	Effective Date:	SEPTEMBER 26, 2016	Change ID#:	10370
-----------------	-----------------------	-----------------	-----------------------	-------------	-------

Enhancements This section is used to describe changes to existing features that were not a result of a defect.

The U.S. Department of Agriculture (USDA) Food and Nutrition Service (FNS) has revised the nutrition risk criteria used in administering the Special Supplemental Nutrition Program for Women, Infants and Children (WIC). WIC State agencies must implement the revised nutrition risk criteria by October 1, 2016.
