

**Methodology to Indicate Changes to  
DPH-10-014 – Radiologic Technology Act Regulations**

The proposed changes for comment that are the subject of this notice are indicated as follows:

- Deletions from the proposed text presented during the second 15-day public comment period are indicated by a shaded double strike-through (~~strike-through~~).
- Additions to the proposed text presented during the second 15-day public comment period are indicated by a shaded double underline (underline).

Adopt Section 30414 to read as follows:

**§ 30414. Approval as an Affiliated Clinical Site.**

(a) For ~~a~~ clinical sites that ~~has~~ have not been approved pursuant to section 30412 as an affiliated clinical site (ACS) to be eligible for approval as an ACS, an approved school shall submit an acceptable application ~~consisting of~~ containing the following:

(1) Name of requesting school and its school identification number as indicated on the Department's approval to operate;

(2) ~~Except for approved schools that are accredited by the Joint Review Committee on Education in Radiologic Technology, for~~ For each clinical site, the following:

(A) Name, physical address, and telephone number of the proposed clinical site;

(B) Radiation machine registration number of the clinical site as indicated on the certificate of registration issued to the site for purposes of Article 1 (commencing at section 30108), Group 1.5 of subchapter 4.0 of this chapter; and

(C) ~~For limited permit X ray technician schools, the name of the lead supervising licentiate designated pursuant to section 30417(a) and the certificate or permit number as shown on the individual's certificate or permit issued by the Department;~~

(D) ~~The total number of students that the educational program will allow, provided the number does not exceed the total clinical capacity determined pursuant to subsection (c); and~~

(~~E~~C) ~~Except for approved schools whose clinical site is under the same business entity, a copy of the affiliation agreement between the approved school and the clinical site containing the information required pursuant to section 30415. When applying for renewal of approval pursuant to section 30412 and any affiliated clinical site is proposed to be renewed and approved under section 30412, each affiliation agreement shall be updated, including dates of signatures;~~

(3) and (4) No change to initial proposal.

(b) No change to initial proposal.

~~(c) The following calculation shall be used to determine the total clinical capacity (TCC) of students allowed at a clinical site: An approved school may not allow the total number of students at a clinical site to exceed the total clinical capacity (TCC) calculated as follows:~~

(1) and (2)                      No change to initial proposal.
