

FOOD INDUSTRY TRAINING ANNOUNCEMENT Fall 2015

The Food and Drug Branch, Industry Education and Training Unit (FDB - IETU) is pleased to announce training events in Southern California for the food industry. The workshops are **FREE** of charge to all food companies with a valid Processed Food Registration issued by the Branch. Advance registration is required. Course description is below.

Allergen Control for Food Processors

This training covers key elements for controlling of food allergens in food facilities, compliance with federal and state laws, including the Food Allergen Labeling and Consumer Protection Act, how to develop an allergen control plan, and much more.

Who Should Attend: Front-line food handlers, managers, supervisors and owners of food manufacturing companies.

Register Today – Seats are very limited!

Complete the attached registration form and return it at least one week prior to the course date.

CDPH – Food and Drug Branch
