

HAI AC Public Reporting Subcommittee

June 17, 2010 Conference Call

SUMMARY

Attendance: Carole Moss (Chair), Alicia Cole, Annemarie Flood, Tom Jackson, Mary Mendelsohn, Roberta Mikles, Frank Myers, Shannon Oriola, Francesca Torriani
Staff: Sam Alongi, Melissa Anastasio, Sue Chen, Jon Rosenberg

Call Goals:

1. Review the charge for this subcommittee
2. Create groups within the subcommittee to work on various sub-projects
3. Determine Action Items

Charge

The Public Reporting and Education Subcommittee is charged with recommending to the full HAI AC the means for presenting verified data to the public and to healthcare professionals. The first iterations of data must be posted publicly by January 1, 2011.

Groups within the Subcommittee

1—Consumer Focus: explaining the data to consumers; how to interpret and use the presented data

- Alicia Cole
- Annemarie Flood
- Tom Jackson
- Mary Mendelsohn
- Roberta Mikles
- Carole Moss
- Shannon Oriola

2—Patient Centered Messaging

- Alicia Cole
- Annemarie Flood
- Tom Jackson
- Roberta Mikles

3—Clinician Focus: presenting the data and caveats to healthcare professionals

- Frank Myers
- Shannon Oriola
- Francesca Torriani

4—Content and Visual Display of Data

- Alicia Cole
- Roberta Mikles
- Shannon Oriola
- Francesca Torriani

Action Items

Action Item PR1—Chen

Create a timeline which includes key dates for completion of tasks necessary to launch the public reporting site by January 1, 2011.

The timeline will include a November 1, 2010 goal date to present the subcommittee's recommendations to the HAI AC

Action Item PR2—Alongi, Kalson

Open Sharepoint to subcommittee members; establish site location for subcommittee data, notes, and relevant articles, sites and information.

Action Item PR3— Moss, (Kalson to post to Sharepoint)

Select relevant findings from the 2008 Public Reporting subcommittee work, present/review these at an upcoming subcommittee meeting. Kalson to send list of state sites w/ public reporting of HAIs for evaluation by subcommittee.

Action Item PR4—Kalson

Query for expert resources within the State to help develop search engine tools.

Action Item PR5— Moss, Cole, Kalson

Perform research on search terms and links that result in finding relevant data.

Parking Lot—

A future subcommittee meeting will discuss social networking and media and how this can be used to disseminate data and information to the public.

Thank you all for your time and work!
