

Title 22 Infection Prevention Program Requirements Subcommittee Meeting  
Wednesday, October 26, 2011

Meeting Access Information: 866-910-5406  
Participant Passcode: 8625307

AGENDA

Continue to work on proposed revision of Title 22 regulatory language reflecting recent legislative changes. Specifically:

- IP job description, education, and experience requirements (California)
- Process to ID program support resources (e.g., FTE, data management, data support and entry)
