Document #7

California PHHS Block Grant Advisory Committee - 2014 AC Principles for Allocation:

- Emphasize primary and secondary prevention programs.
- Secondary prevention includes prevention of future injury among the injured population.
- Fund each program for at least three years.
- Do not transfer monies out of the Preventive Health and Health Services Block Grant.
- Prioritize using these criteria:
- Condition severity
- Size of the problem/condition
- Equity in health status
- Community concern
- Programs engage communities at the local level
- Cost of the condition
- Cost-effectiveness of interventions
- Concordance with Healthy People Objectives
- Other resources available to address the conditions
- Performance on program metrics
- The needs of EMSA should be considered

Association of State and Territorial Health Officials (ASTHO) Recommended Criteria:

- Maintain flexibility for use of funds.
- Encourage funds to be used for evidence based programs.
- Ensure adequate reporting and accountability for use of funds.
- Link with strategic goals of the State and HP 2020.
- Support capacity such as the development of QI and performance management.
- Ensure that health equity cuts across funded programs.

- Innovation in areas for which there are few proven interventions
- Ability to cross sectors and disciplines (HIAP)
- Leverage of other funds
- Impact of terminating program
- Appropriate balance between infrastructure vs. program services
- History/longevity of program
- Reconfiguration/modification of program
