

Standard and Transmission-Based Precautions Across the Continuum of Care: How to Implement Strategies in the Clinic Setting

Wednesday, May 22, 2019 | 8:30-12:30PM

Imperial County Public Health Department, 935 Broadway, El Centro, CA

This in-person session will review contact precautions strategies for use in various clinic settings. Participants will have the opportunity to meet with area facilities and share best practices in a hands-on and interactive setting. Additionally, we will offer a Train the Trainer session on Injection Safety for Medical Assistants.
