

Home Health Agency Report of Change Application Instructions for Change of Location

To request and submit changes to a licensed facility in California, complete the required application forms and submit them with all of the identified supporting documents. The Centralized Applications Branch (CAB) will not process incomplete applications. Refer to the [sample application packet](#) to assist in completing a Change of Location (CHOL) application.

These instructions assist in preparing a Home Health Agency (HHA) report of change application packet for a CHOL.

Please read each required application form carefully and:

- Provide all requested supporting documents
- Retain a copy of the completed application forms and supporting documents - CAB may contact the applicant and will refer to the information provided

Review Process

CAB receives an application packet and assigns an application ID number in the Electronic Licensing Management System. A CAB analyst will conduct a preliminary review of the application packet to validate receipt of all of the required forms and supporting documents. The application packet fee is not due until a CAB analyst validates the application packet is complete and the license is not expired. To issue an updated license with reported changes, the license may not be expired. To prevent a health facility license from expiring submit a license renewal application and license renewal fee(s).

Application packets missing forms and/or supporting documents are incomplete. CAB will only process complete applications.

Once validation is complete, a CAB analyst notifies the provider to submit the payment needed to process the application and will conduct a more extensive review to ensure compliance with state and federal requirements.

The CAB analyst completes the review process and approves the application packet, then sends the application packet to the district office to conduct all required surveys.

Payments

Payment is due when the CAB confirms the application packet is complete. The Department accepts business checks, cashier's check, or money order, made payable to the "California Department of Public Health". Payment in full is due before the application is processed.

Application fees change annually. Check the current [application fee](#) on the Licensing and Certification website.

Payment of outstanding license renewal fees and submission of a license renewal application is required prior to issuance of a license.
