

Let's keep kids in schools.

Studies show that in-person learning promotes mental, social and emotional well-being.

Working together, parents and schools can help support our children's wellbeing with safe in-person learning.

In-person learning is so important for our kids' well-being and education.

Visit schools.covid19.ca.gov/pages/parent-page to learn more about school safety measures.

STAY INFORMED AND ENGAGED
