Ryan White services, HIV and Aging, People of color, Case management development, Unmet need of all HIV positive communities.

Sacramento County

LEARN MORE ABOUT:

Community outreach and engagement, Challenges for undocumented HIV positive communities, Legal stigma and challenges for people living with HIV, Assisted living/ Skilled nursing for our Ageing communities and Rural LGBTQ challenges

I'm a gay, Hispanic male devoted to being a voice for our Underserved HIV Community. I'm an active listener, nonjudgmental, believe we are all equal with a personal mission to help people develop their belief in themselves. I volunteer for several organizations and this gives me purpose, makes my life worth living and fills my heart and soul with continuous gratitude for whom I am.
