I am not just a community activist; I am a seasoned leader with an impressive track record of over 25 years of expertise in HIV education, prevention, and care. My commitment to our community has earned me recognition as a true luminary in community health education, making an indelible mark on Riverside and San Bernardino Counties. I am celebrated for my pioneering spirit, driving transformative outreach initiatives, including the nationally acclaimed 'Get Tested Coachella Valley' campaign, which not only normalized voluntary HIV testing but also facilitated vital linkage to care. As an unwavering force behind the Rainbow Pride Youth Alliance and the Inland Empire HIV Planning Council, I've masterfully elevated visibility and passionately empowered the LGBTQ+ youth and the lives of People Living with HIV in our community.
