

Title 17. Public Health
Division 1. State Department of Health Services
Chapter 8. Accreditation, Certification and Work Practices for
Lead-Based Paint and Lead Hazards
Article 2. Eligibility Requirements for Accreditation and
Course Approval

(1) Amend Section 35095 as follows:

§ 35095. Application Requirements.

(a) A complete application for certification shall consist of a non-refundable ~~\$87.00~~\$135.00 application fee per certificate requested and a completed CDPH 8488

~~(6/18)~~(6/20), Application for Lead Certification, with required documentation:

(1) Type of certification requested and amount of fee(s) paid:

- (A) Certified lead inspector/assessor;
- (B) Certified lead supervisor;
- (C) Certified lead sampling technician;
- (D) Certified lead project monitor; or
- (E) Certified lead worker.

(2) Applicant's name, residence address, (and mailing address, if different), telephone number, date of birth, gender, race/ethnicity and photo identification number with a description of the photo identification document.

(3) Documentation of applicant's education, training, and experience, including:

(A) An original Course Completion Form, CDPH Form 8493 (6/07), for a course issued by an accredited training provider.

(B) A Proof of Experience CDPH Form 8539 (6/07) for each employer providing documentation of completion of lead-related construction or other applicable experience. Each Proof of Experience form shall contain:

- 1. The applicant's name;
- 2. The name and address of the applicant's employer;
- 3. The name and telephone number of the applicant's supervisor, or the names and telephone numbers of three client references, if self-employed;
- 4. The applicant's employment dates;

5. Descriptions of specific lead-related construction or other applicable activities performed;

6. Estimated percentage of time associated with lead-related construction or other applicable activities; and

7. The name, title, and signature of the applicant's supervisor or employer, or the applicant's signature, if self-employed, verifying, under penalty of perjury, that the information contained on the Proof of Experience CDPH Form 8539 (6/07) is true and correct.

(C) Evidence of completion of postsecondary education, such as a transcript or diploma.

(D) Certified Industrial Hygienists, who possess a Course Completion Form from a lead-related construction Certified Industrial Hygienist course, may substitute a copy of their American Board of Industrial Hygiene Certificate, or its equivalent, for evidence of both experience and postsecondary education documentation.

(4) Two passport style, 1 inch by 1 inch, photographs.

(5) Applicant's signature and date signed, verifying, under penalty of perjury, that all information contained on and submitted with CDPH 8488 ~~(6/18)~~(6/20), Application for Lead Certification, is true and correct.

(b) A complete application for certification renewal shall consist of a completed CDPH Form 8553 ~~(6/07)~~(6/20), Renewal of Lead Certification, and a non-refundable ~~eighty-seven~~one-hundred thirty-five dollar ~~(\$87.00)~~(\$135.00) application fee for each certificate renewal requested with the following required documentation:

(1) If not submitted to the Department in the previous year, an original Course Completion Form CDPH Form 8493 (6/07) issued by an accredited training provider for:

(A) General continuing education, if the application is for renewal of inspector/assessor, project designer, sampling technician, or project monitor certification; or

(B) General continuing education or continuing education for workers, if the application is for renewal of supervisor certification; or

(C) Continuing education for workers, if the application is for renewal of worker certification.

(2) Documentation specified in subdivision (a)(2), and subdivision (a)(5); and

(3) Certificate number(s), expiration date(s) and amounts of fee(s) paid.

(c) Certified individuals shall notify the Department within 30 calendar days of a change of address.
